

ELCON MEETING NOTICE

Date: December 4, 2008

To: Member Representatives & Technical Committee

From: John Hughes, Email: jhughes@elcon.org

Meeting: Technical Committee Conference Call, December 10, 1:30 PM Eastern Time

Attachment: Agenda Package for Conference Call

Please plan to participate on a Technical Committee conference call scheduled for December 10. This is an important call because it will involve discussions on the status of Obama Administration appointments at key energy, environmental and regulatory agencies and the emerging energy and climate policies of the new administration. Green job/energy infrastructure initiatives in proposed economic stimulus bills will also be reviewed.

An agenda package is attached. It includes a tentative agenda, draft minutes of previous meetings and conference calls, and reference documents that will be discussed during the call.

Dial-In Instructions:
